A romance which began on the campus of the University of Texas, at Austin, and then was blasted when the principals married other persons, is being considered as the reason for the suicide pact of Dr. Claude Mattingly, prominent young physician, and Mrs. Rhea Burgess Perrin, wife of Dr. F. A. C. Perrin, university professor, in the physician's hotel room at Austin, Dr. Mattingly and Mrs. Perrin, shown above, had been fellow students at the university where Mrs. Perrin was the "Vanity Fair" co-ed in 1920.

PA NEW OBSERVES

Temperatures warmed up considerably over the week end. While the official weather observation showed a temperature of 3 below zero for the 24-hour period ending Sunday morning, this mark was registered Saturday when the readings were taken and the thermometers set.

Pa New observed a big police dog, listening intently to the buzzing inside the traffic light control box at the corner of North and Jefferson streets. He was unable to figure it out, and finally gave up in disgust and trotted on his way.

North Jefferson street surfacing is in need of retouching again. The asphalt surface is going through to the bricks in a lot of places.

Spring can't come too soon for work on some of the Pinchot type of roads in the district. They are going through the surface in spots and will need attention of the repair gang in early spring.

The recent cold weather resulted in the Shenango river being frozen over solidly in the vicinity of the harbor.

Pa New was told this morning that several hundred persons enjoyed ice skating, near Oak Park cemetery, Sunday.

A 1933 Oklahoma license tag was seen on a car parked on North Mill street last night. Seems as if some states are mighty liberal on motorists, or else.

This week the pastors of the city's four United Presbyterian churches will serve in the role of teachers, teachers in a special Bible teachers' school which is being held for the congregations' teachers. The classes are to occur on every Wednesday evening this month.

Things, industrially speaking, are improving for the Shenango valley. (Continued On Page Two)

SHOOT 3 IN FAMILY

Fear Is Growing
Bremer Was Slain

(International News Service)
ST. PAUL, Minn., Feb. 5.—Growing tears were expressed today that Edward G. Bremer, wealthy 37 year old banker, may have been slain by the kidnapers who seized him nine-teen days ago for a \$200,000 ransom. No word has come from either the kidnapers or the missing man since two hours after the abduction on Jan. 17 when a note was received demanding the huge ransom sum. An indication that the family of Bremer was losing confidence was contained in a public statement made to the kidnapers by Adolph Bremer, aged brewer and father of the banker. It read:
"Have Edward write a letter in his own hand."

(International News Service)

WASHINGTON, Feb. 5.—More than 700 million dollars has been spent for CWA activities, according to a report made today by Harry L. Hopkins, federal relief administrator, to the Senate Appropriations committee.

Of the total expenditures, the federal government spent approximately 550 millions and states, counties, townships, cities and towns, approximately 170 millions.

Republican members of the committee, who thought local units of government had fallen down on the relief job after the federal authority stepped in, were surprised at the large disbursements they made.

Mrs. Mary A. Kerber
Dies In Washington

Former Well Known Resident Of This City Succumbs After A Long Illness

Mrs. Mary Anna Kerber, widow of Philip J. Kerber, who died twenty-six years ago, died Saturday, February 3, at the home of her daughter, Mrs. Ella Kerber Kury, Washington, D. C., after an illness, which extended over a long period.

Mrs. Kerber was born in Pittsburgh, the oldest daughter of Frederick and Mary Hoffman Eckert, May 2, 1863. She had lived in New Castle for over sixty-five years, five years in Youngstown, Ohio, and the past few months in Washington, D. C.

She was a member of St. John's Lutheran church, the Ladies Aid Society, The Orange Lodge, The Macabee Lodge, and the D. A. R. She had a countless number of friends in this city, having won them by her kind and loving disposition. She was preceded in death three years ago by a son, Glen Edward, and at that time she was seriously ill and could not attend his funeral.

Mrs. Kerber is survived by two sons: Walter Philip Kerber and William Louis Kerber, of New Castle; a daughter, Mrs. Ella Kerber Kury, Washington, D. C.; five grandchildren: Virginia, William, Robert and Walter P. Kerber, Jr., of New Castle; and the following brothers and sisters: Mrs. Michael Bacon, Gallup, N. M.; Mrs. Rose Eckert, Tripp and Fred W. Eckert, New Castle; Louis Eckert, Tulsa, Okla.; Mrs. J. Behner, Dixmont, and John Eckert, Jamestown, N. Y.

Friends may see her at the Ritchie Funeral Home, South Mill street, until the hour of funeral, 2:30 p. m., Tuesday, when services will be conducted in St. John's Lutheran church, North street, with the Rev. F. E. Stough officiating.—(Please Omit Flowers).

MacCracken's Alleged Violation Of Order Of Senate Will Be Aired

WASHINGTON, Feb. 5.—The Senate was ready today to sit as a court, with former Assistant Secretary of Commerce William P. MacCracken Jr. arraigned as a prisoner at its bar. He is charged with defying the Senate's orders to turn over his air mail records and with permitting the destruction of correspondence under subpoena.

Temporarily at liberty on personal bond of his attorney, Frank J. Hogan, the Hoover aeronautics chief made last-minute plans to defend himself against possible criminal indictment for contempt.

Senator Black (D) of Alabama, chairman of the investigating committee which has disclosed numerous scandals in the distribution of government subsidies, meanwhile prepared a report scoring officials of two companies for which MacCracken negotiated air mail contracts.

Summarized Evidence
The report, which Black planned to offer soon after the opening of the day's session, summarized sensational evidence given Saturday by officials of Transcontinental and Western Airways and Northwest Airways, Inc.

It was considered likely that as a result of Black's move Col. H. L. Brittin, president of Northwest Airways, might be arraigned on contempt charges.

Brittin admitted on the stand that (Continued On Page Two)

Jail Housing Desperado Is Veritable Fortress; Rumor Liberation Planned

(International News Service)

CROWN POINT, Ind., Feb. 5.—Extra guards armed with sub-machine guns and rifles were posted about the Lake county jail today to thwart a reported plot on the part of his gangster associates to liberate John Dillinger, notorious desperado, and bank robber.

The jail housing Dillinger was a veritable fortress with its added cordon of guards. Two department of justice agents were on the scene, presumably to guard Mrs. Lillian Holley, Lake county sheriff, should the Dillinger gang remnants attempt to take her hostage.

Janet and Janice Holley, 19-year-old twin daughters of the woman sheriff, were placed under guard at the request of their mother following reports that they may have been singled out as kidnaping victims by the gang to obtain their leaders' freedom.

Dillinger will be arraigned today for the murder of an East Chicago, Ind., detective in a bank holdup there.

Annual Meeting Takes Place Saturday In Liberty Grange Hall

SHOW FEATURES
ALL-DAY SESSION

S. B. Hayes, of North Beaver township, was re-elected president of the Lawrence County Wool Growers association, at their annual meeting Saturday which took place in Liberty Grange hall. J. L. Burton was elected vice president, and W. F. McCracken, secretary and treasurer.

The meeting was one of the most interesting yet held and was featured by a wool show, and a number of interesting addresses.

The morning session was devoted to business. President S. B. Hayes occupying the chair. Following the reports of the officers, election of directors took place, resulting in the following being named: S. B. Hayes, North Beaver; W. F. McCracken, Scott; D. B. Kyle, North Beaver; R. P. Peabody, Scott; J. L. Burton, Scott; J. C. Russell, Big Beaver; and Earl Wimer, of Butler county.

Had Biggest Pool
Wool pools in Pennsylvania were discussed by W. B. Connell, sheep and wool expert of Penn State college, who assisted with the pooling of the wool here last summer, when the Lawrence County association pooled the largest amount ever sold by one organization in the state in one year, 95,628 pounds. This represented the product of 397 growers.

The Lawrence County association was organized in 1919, and since that date has marketed 822,869 pounds of wool, it was brought out at Saturday's meeting.

H. A. Kyle, of North Beaver, exhibited and demonstrated a practical sheep rack, which he had manufactured.

At noon, the wool growers were served with a lamb banquet by the ladies of the Liberty grange.

Following dinner, a program was carried out with J. W. Warner, of Indiana county, presiding. Enter- (Continued On Page Two)

Firemen Prevent Destruction Of Residence On Outskirts Of City Today

Fire damaged the home of James Watt, of Melrose avenue at 9:30 this morning, when a defective chimney set fire to partitions alongside. The home is just on the city line.

Fourth ward firemen and B truck answered the alarm from Box 414, and No. 4 was barely able to reach the house by laying all their hose, a thousand feet. The fire was extinguished with buckets of water and chemicals, it being necessary to use the large line.

When the firemen arrived, the blaze was going up the partitions on both side, on the second floor, but checked at this spot and did not spread through the house.

At 11:10 Sunday morning, an alarm from Box 23 called out six departments, when sparks from the chimney set fire to an awning over a window in the dormitories of the Y. W. C. A. The fire was extinguished with a bucket of water by Charles Knowles before firemen arrived on the scene.

Report Four Confess
Killing Indiana Pastor

(International News Service)

INDIANAPOLIS, Ind., Feb. 5.—Authorities moved today to obtain the indictment of two women and two youths held in jail here for the slaying of the Rev. Gaylord Saunders, 36, former pastor of a Methodist Episcopal church in Wabash, Ind.

Confessions have been obtained from all four, police Chief Michael Morrissey announced. The four held are Mrs. Naomi Saunders, widow of the slain man, Mrs. Mabel Balke, nurse, who recently attended Mrs. Saunders, and Joseph T. Mathers and Masil Roe, both 19 years old.

Preliminary hearings for all four were scheduled for today.

In his statement to authorities young Mathers assertedly admitted shooting the pastor in the head Friday morning in Saunders' automobile on a rural road near here.

Mathers, roommate and fellow student of the pastor at an embalming college here, declared he killed Saunders after Mrs. Saunders gave him \$10 to hire a man to do the killing.

The widow and Mathers, their statements said feared that the pastor was planning to kill Mrs. Saunders and their two sons, Jimmy 13, and Billy 10.

Vallee-Webb
Suit Resumed

(International News Service)
NEW YORK, Feb. 5.—The Rudy Vallee-Pay Webb separation fight was resumed today with the latter's attorney taking a pot shot at supreme court justice Richard P. Lydon.

The appellate division is to be asked to decide what damage the shot did.

Pay's attorney, Benjamin A. Hartstein, fired it in filing his answer to Rudy's request for an injunction prohibiting his estranged wife from suing him in the California courts for a separation and \$7,500 a month alimony.

No Notice Served
The injunction, Hartstein claimed, cannot be issued because notice of the action was not personally served on Pay, as required by law.

Justice Lydon got in the line of fire because, on Saturday last, he vacated an order which he had originally issued allowing Pay to discontinue the New York suit. In vacating the order Justice Hartstein in applying for it, had informed him that Pay was suing in California and that Rudy was seeking an injunction.

"I cannot understand the court's statement that it was not personally served," said Hartstein today in an affidavit submitted to supreme court justice as a part of his answer to the injunction motion.

Several Shots Fired At Police Go Wild; Believe Man Insane

(International News Service)

ALIQUIPPA, Pa., Feb. 5.—A 54-year-old unemployed man, believed to have become despondent and crazed by his failure to obtain work, shot and killed his wife and seriously wounded his two daughters at their home here today.

Defying the police to capture him alive, Joseph Diagostino, barricaded himself in his home after the shooting.

Several shots, all of which went wild, were fired at police as they surrounded the Diagostino home. A tear gas bomb was hurled through a window and Diagostino staggered out blindly into the arms of the officers.

Wife Found Dead
Inside the home police found Mrs. Diagostino, 47, dead in bed from bullet wounds in her chest and abdomen.

Two daughters, Anna 22 and Elizabeth 16, were seriously wounded by bullets fired by their father, they said. Both were rushed to the Rochester general hospital.

After hasty examinations and medical treatment hospital authorities said the condition of both was "fair." They declined to state how serious the wounds were.

Placed In Cell
Taken to the Aliquippa jail after being disarmed, Diagostino flew into a rage and shouted threats at the arresting officers. Because of his highly nervous condition, no attempt was made to question him immediately as to his motive for the crime.

Authorities launched an immediate investigation before submitting Diagostino to questioning or filing charges.

RUMORS KEEP SITUATION TENSE IN PARIS

French Public Much Disturbed

Reports Published "Garrisons Are Held In Readiness" Near City

DALADIER SEEKS TO KEEP CONTROL

By WILLIAM PARKER
International News Service Staff Correspondent

PARIS, Feb. 5.—Published reports of "garrisons held in readiness" and many vague but disturbing rumors kept Paris tense and expectant today as Premier Edouard Daladier, in a firm, almost dictatorial stand, strove to keep the situation peaceful in the face of public disorders over financial scandals and the political turmoil.

"We know that certain garrisons have been ordered to hold themselves in readiness on the outskirts of Paris," the newspaper *Eclair* declared, "and also that some tanks have been ordered in from Compiègne which probably will arrive tonight, and would be stationed at various garrisons on the left bank of the Seine."

"Two divisions belonging to these neighboring corps from Paris are reported marching on Paris."

Taxi Strike In Effect
The taxicab strike, still in effect, served to keep Paris streets quiet, and the situation was one of potential, rather than positive excitement.

"The French public is greatly disturbed by the gravity of the situation," the Paris edition of the *London* daily mail declared. "This paper foresees a possible food shortage in Paris, stating food truck drivers would refuse to bring goods into the capital tomorrow."

Thirty thousand war veterans decided upon a protest parade in conjunction with the Tax-payers' Federation and Royalist and Nationalist associations.

The newspaper *La Liberté*, edited by Andre Tardieu, former premier and one of Daladier's bitterest foes, declared the "Z plan" providing for the maintenance of order in Paris by government troops, already was in effect.

The council of generals, according to *La Liberté*, will be responsible for order in the capital if the police fail.

Don't take calomel!
HERE'S NEW HEALTH FOR YOUR LIVER

Now banish bad breath, pimples, constipation; feel like a million!

That tired, "frowsy" feeling in the morning, that "dark-brown" taste in the mouth—if you would banish them and win back buoyant health, don't expect relief from salts, mineral oil, or candy and chewing-gum laxatives.

For such remedies only move the bowels. While chances are, you're one of the thousands suffering from sluggish liver which does not yield sufficient bile—causing pimples, blemishes, headaches, bad breath and a general run-down feeling.

What you need is something which acts thoroughly but harmlessly upon the liver. And in Dr. Edwards Olive Tablets you will find that "something," which stimulates the bile flow.

A successful substitute for calomel, these famous tablets are composed of pure vegetable ingredients, and have been praised for years by millions.

To get and keep the bile flowing freely—correcting constipation, skin troubles, and win back that "fine-and-dandy" feeling of youth—go to your druggist for Dr. Edwards Olive Tablets today, 15c, 30c, 60c.

PA NEWC OBSERVES

Take that new order which the Greenville Steel Car company has been given for 750 steel hoppers for the Van Sweringen roads. Orders like that will go a long way to dispel depression thoughts.

Pa Newc believes, and his observations bear it out, that parking near fire hydrants is a practice many motorists take lightly today. On two downtown streets cars stood almost directly in front of the plugs this morning.

When an awning caught fire on one of the dormitories on the top floor of the Y. W. C. A. building from a fire burning out, Sunday morning, someone went to the Central Presbyterian church, where services were in progress and informed the congregation. The service was dismissed as a result. The fire was of a trivial nature, and did scant damage to the Y. W. building.

(International News Service)

CANNELTON, Ind., Feb. 3.—Ernest Wright, farm hand sought for questioning in the brutal murder of the retired circus trapeze artist, Miss Alice Martin, gave himself up to a neighbor farmer today and was brought here to jail.

Miss Martin, 50, who thirty years ago today performed in Madison Square Garden, was found late Saturday beaten to death with an iron pipe and her throat slashed with a knife. Her body clad in men's farm clothing was buried in a shallow grave in underbrush a short distance from her isolated house on a high bluff overlooking the Ohio river twenty miles north of here. She had been missing about a week.

Present Pageant At Central Church

Exceptionally Fine Work Is Done By Members Of Christian Endeavor Society

Members of the large crowd of people at the Central Presbyterian church Sunday evening who expected an "ordinary" pageant were soon enthralled by one of the most interesting and most expertly presented religious pageants ever presented.

"The Challenge of the Cross" was exceptionally well given by the following cast; chosen from the Christian Endeavor society of the church: Evangelist—Mary Spencer.

First disciple—Virginia Wallace. Second disciple—Mary Elizabeth Jenkins.

Third disciple—Lillian Campbell. Fourth disciple—Freda Campbell. Fifth disciple—Geraldine Fry. Sixth disciple—June Campbell.

The church auditorium was as quiet as a library while the plot of the pageant was unfolded through vivid and dramatic lines. The effect was aided by special musical numbers of the church choir directed by Robt. Duff. The Christian Endeavor has received a request to repeat the pageant at an event which is to take place in the near future.

Dr. C. B. Winger, pastor of the church, told the society that never during his experience in the ministry has he seen a pageant better presented.

Presentation of the pageant was directed and supervised by Mrs. George W. Conway.

SENATE READY TO START TRIAL OF MACCRACKEN

(Continued From Page One)

he destroyed "personal" files removed from MacCracken's office in defiance of the committee's subpoena.

Black was skeptical that all of the papers removed by officials of Transcontinental and Western had been returned. Approximately 50 letters, telegrams and documents dealing with this company were in the committee's possession after an adventurous trip from New York and back to Washington.

Senate Makes Rules
The "bench warrant" against MacCracken called not only for his person, but also for all the records of his office dealing with mail subsidies. These records were seized by Chester W. Jurney, sergeant-at-arms of the Senate, and turned over to committee investigators post office inspectors and Department of Justice agents.

"I am not certain just what procedure will be followed by the Senate in arraighing MacCracken," said Black. "The Senate makes its own rule to fit each individual case. It can order that any senator be permitted to ask questions orally or submit them in writing as in an impeachment trial."

Shortly after MacCracken's arrest he announced through Hogan that all of the dozen aviation companies for which he negotiated air mail contracts had signed waivers permitting him to turn over any of their confidential papers in his possession.

Reports persisted that MacCracken would seek a federal court writ to restrain the Senate proceedings.

Five Are Cited
Washington, Feb. 5.—William P. MacCracken, Jr., former assistant secretary of commerce, his law partner and three air mail officials were cited to the senate this afternoon for possible contempt as a result of their refusing to turn over documents to the senate air mail investigating committee.

MacCracken's law partner is Frederick E. Lee.

The air mail officials were: Col. L. H. Brittin, vice president of the Northwestern Air Mail Inc.; Gilbert H. Given, Washington representative of Western Air Express.

Harris M. Harshbarger, president of the Western Air Express.

MacCracken, under technical arrest, sat in a gallery watching the proceedings as the senate air mail committee filed a report asking punitive action against him and his colleagues.

The committee did not recommend any particular punishment but reported the alleged contumacy of the quintette in ignoring a senate subpoena for their documents and asked the senate to "take whatever action it saw fit."

2. Passage of a \$200,000,000 appropriation to enable the secretary to carry out relief of cattle-raisers.

3. Final passage of a \$45,000,000 appropriation for seed loans to farmers, the bill already having passed the senate.

4. Final enactment of the Johnson resolution, previously adopted by the senate, to ban new loans to or sale of new securities from governments in default on debts to the United States.

5. Probable report of a new tax bill, increasing income taxes by about \$270,000,000 in the higher brackets, from the house ways and means committee.

In the Senate.
1. Probable passage of the \$570,000,000 naval construction bill, with its program for building from 96 to 102 new warships and a full complement of new airplanes. The bill passed the house a week ago.

2. Further debate on the St. Lawrence waterway treaty, with prospects favoring the fixing of an agreement for a final vote next week.

3. Decision on the amount of pay restoration to be given government employees and amount of benefits to be restored to war veterans, during consideration of the independent offices appropriation bill.

4. Possible enactment of the administration's \$850,000,000 appropriation for the CWA and other relief activities, if time permits.

The biggest legislative battle of the week will revolve around the pay cut and veterans' benefit. A fighting bi-partisan group demanding restoration of full pay to government employees and adoption of the American Legion's four-point program for veterans' relief.

REDUCTION IN PRICES

January first of this year we discontinued the well known and much abused custom of lending or hiring chairs for parties or any other use, as our chairs will only be used for funeral work. We find after careful study of this matter it will be possible for us to reduce the prices of our funeral work quite a substantial amount by doing away with this strain on our over-head.

"—SELLING CALLS FOR HEALTHY NERVES, TOO—MR. MARKSMAN"

Kenneth B. Logan, Salesman, of Scarsdale, N. Y., says:

"The selling game calls for healthy nerves just as much as being a wonderful marksman. Meeting people all day long...trying to turn prospects into customers...the life of a salesman certainly tells on the nerves! I smoke most of the time—but I smoke only Camels, and I'll tell you why I say only Camels! Camels don't upset my nerves—and no cigarette can match Camels on flavor, either."

Virgil Richard, Champion Sharpshooter, says:

"I've been smoking for years and had no trouble in keeping my nerves in shape for making record scores. That's because I have long been a Camel smoker. Camels are much milder, and never interfere with my nerves."

How Are YOUR Nerves?

Does your job sometimes get you down? Do you feel tired? Irritable? Ready to "blow up" any minute...because of raw nerves?

Try to get enough sleep. Eat sensibly. And get a fresh slant on your smoking by turning to Camels. Much has been said on

the subject of tobacco quality. But—

Camels are made from finer, MORE EXPENSIVE TOBACCOS than any other popular brand.

That statement is conclusive.

Probe Misrepresentation Alleged On CWA Jobs

Evidences of misrepresentation have come to the attention of the CWA authorities here, it was stated today, and an investigation is under way to determine how far reaching it is, and to take steps that will correct the condition.

The misrepresentation, according to L. B. Round, CWA administrator, has been practiced by men who are working on names given by others. An example which was uncovered was that of a man whose brother had registered and was accepted for work. In the meantime he had gone back to work in industry and turned

his card over to his brother who was not working. The brother took the job and signed the checks under his brother's name.

"Such cases of misrepresentation will be uncovered and exposed," said Mr. Round. "Any man who signs another's name to a check is guilty of forgery, and in addition he is probably guilty of conspiracy against the federal government in accepting employment under another's name."

Investigators are now at work in the matter and their results will be turned over to the federal authorities.

On Court House Hill

County Commissioners are becoming very anxious to have Ellwood City assessors turn in their books. Every district in the county is in with the exception of Ellwood. Until the valuations are received the commissioners will be unable to fix the tax millage for 1934. In order to fix the millage it is necessary to have a computation of all the valuations of the county.

The commissioners will then prepare their budget for this year, and the millage will be fixed to meet that budget. The indications are now that it will be necessary to increase the millage. It is understood that the delay in Ellwood City has been caused by the new law which required that boundaries of properties be fixed. However this was necessary in other districts in which the books have been turned in. The Ellwood assessors took out their books last July at the same time as the others.

Oil fever in the eastern part of the county seems to be spreading. On Saturday seventeen leases, taken in Plaingrove township were recorded at the office of Register and Recorder William R. Hanna. These are the first leases recorded from Plaingrove township, the others having been from Scott, Slippery Rock and Shenango. The Plaingrove leases are recorded in the name of R. W. Tennant. It is presumed they were taken for some company.

Plaingrove township has been drilled for oil several times, partic-

ularly in the northern part of the township, but no oil in paying quantities has ever been discovered. It may be that the tests which are to be made will go deeper than former wells. This is the plan in Scott and Slippery Rock. As this territory lies between the Venango and Butler county fields, it is believed that there is a connecting oil belt, if only it can be found.

Sheriff Edward D. Pritchard now has 49 prisoners in the county jail, the largest number since he assumed

Doctors Give Creosote For Chest Colds

For many years our best doctors have prescribed creosote in some form for coughs, colds and bronchitis, knowing how dangerous it is to let them hang on.

Creosolium with creosote and six other highly important medicinal elements, quickly and effectively stops coughs and colds that otherwise might lead to serious trouble.

Creosolium is powerful in the treatment of colds and coughs, yet it is absolutely harmless and is pleasant and easy to take. Your own druggist guarantees Creosolium by refunding your money if you are not relieved after taking Creosolium as directed. Beware the cough or cold that hangs on. Always keep Creosolium on hand for instant use. (adv.)

ed office. Of this number three are women. The most serious case is that of John Moses, who is charged with the murder of Rose Balogh. Moses occupies the cell which held Glenn Dague who with Irene Schroeder was electrocuted for the murder of Corporal Brady Paul. He has heard from the other prisoners that he occupying the Dague cell, but it does not appear to give him much concern. He is permitted to mingle with the other prisoners in his section of the jail during the day time, but is locked in his cell at night. Sheriff Pritchard reports that he is a very good prisoner, and has not been giving him any trouble.

Shenango township is considerably interested in a proposed reduction in the assessed valuation of Cascade Park. This is owing to the fact that some of the buildings have been torn down. Shenango is vitally interested on account of the revenue that has been derived from the Park in past years. Taxes in the township are high, and every reduction in valuation means that property owners will have more taxes to pay.

R. F. Houk of Castletown was at the county commissioners office on

Saturday conferring with commissioners on proposed improvement of roads. Residents of that section of Shenango township would like to have the Old Pittsburgh road from East New Castle, south, improved under the Pinchot system, also, the Energy and Duck run road. The latter is a township road which residents desire to have improved under the CWA plan. The old Pittsburgh road comes under the secondary road system of the state.

R. H. Meloy, guardian of Adam R. Cargavie, presented a petition in court on Saturday, asking permission to sell a property belonging to his ward, and located in Shenango township to Jennie A. Mitchell for \$2,028. It was stated that the price offered was a better one than could be obtained at public sale. Judge James A. Chambers granted the petition.

The Lawrence Savings and Trust Company, guardian of Hugh O'Neill was authorized by court today to pay his mother Margaret Hartzell, the sum of \$75, for necessary expenses.

Arrest Twenty One In Raid Saturday

Police Visit South Jefferson Street Place; Fines Total \$77.00

One of the biggest raids so far as number of arrests are concerned occurred Saturday evening when a squad of police in charge of Lieutenant Ralph Criswell visited the store room of Vito Bongivengo, 219 South Jefferson street.

Bongivengo and a score other persons were taken into custody and placed \$5.00 forfeits for a hearing Saturday midnight before Mayor

Mayne. Bongivengo was charged with being the proprietor of a "disorderly house" and the score of others with being visitors.

Bongivengo admitted that poker and dice games had gone on and when the hearing was held he was fined \$15.00. Each of the visitors, excepting one, was fined \$3.00. The one who did not appear for a hearing lost his \$5 dollar forfeit. In all the city netted \$77.00 from the raid.

MUST HAVE CARS TESTED BEFORE APRIL

Quite a few motor vehicles were examined by mechanics in official examination stations during January. Two months remain for the motorists to have their lights, brakes and steering apparatus to be examined. Mail Local Proceeds For Roosevelt Ball; Raised \$530.70 Here

A draft for \$530.70, New Castle's contribution to the Warm Springs, (Ga.) Foundation for Infantile Paralysis, was placed in the mails over the week end by Secretary-Treasurer Don F. McGrew of the President's national ball committee addressed to Keith Morgan, New York, treasurer of the National President's Birthday Ball committee.

It is understood that when Morgan receives his final contribution a check covering the entire proceeds of last Tuesday's 6,000 balls through out the nation, will be sent to President Roosevelt at the White House. The president in turn will dispatch it to Warm Springs.

In opposing British search and seizure writs. (The British failed to force them, the U. S. prohibitionists succeeded.) Nothing in Otis' life was as spectacular as his death. He had often expressed a wish that his death might be by a stroke of lightning. Standing at his door when he was 58, during a thunderstorm, he was instantly killed by a bolt.

Hence sackcloth (symbol of humility) and ashes (symbol of purification).

Mrs. Mabel Ryan, missionary from Africa, on a sabbatical year at home, gave a splendid talk on her work. Mrs. Robert Long conducted the devotionals and business session.

Pile Sufferers

Can You Answer These Questions?

Do you know why external remedies do not give quick and permanent relief?

Why cutting does not remove the cause?

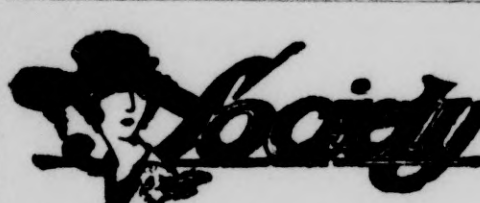

Do you know the cause of Piles is internal?

That there is congestion of blood in the lower bowel—the veins flabby, the parts almost dead?

Do you know that there is a harmless internal remedy for itching, bleeding or protruding piles discovered by Dr. Leonhardt and known as HEM-ROID that is guaranteed?

HEM-ROID banishes piles by removing the cause. It stimulates the circulation in the lower bowel—drives out the thick impure blood, heals and restores the affected parts.

Dr. Leonhardt's HEM-ROID has an almost unbelievable record of success. So why waste time on external remedies or worry about an operation when Eckert's Cat Balm and New Castle Drug Co. invites every Pile sufferer to try HEM-ROID with guarantee of money-back if it does not end their Piles, no matter how stubborn the case?

Business Shows Improvement In Youngstown Area

Municipal and Private Enterprises Steadily Improving Along Financial Lines

(International News Service)
YOUNGSTOWN, O., Feb. 5.—Municipal and private enterprises in the Youngstown sector are steadily moving toward financial improvement.

Business reports of the Republic Steel Corporation, the Youngstown Sheet and Tube Company, and the Sharon Steel Company today show these firms pared hundreds of thousands of dollars from the losses incurred from operations of the previous period, while the steel town suburb of Campbell is reported to be finally catching up on its accrued debts.

Campbell, at the pleadings of large taxpayers and creditors, has been operating under the direction of R. L. Lippincott, assistant secretary of the Youngstown sinking fund, appointed by the Mahoning county common pleas court, in efforts to borrow its way "out of the red." Lippincott was named to set up a financial program for the town when it appeared on the verge of bankruptcy due to reported default. It paid its current obligations on time this month for the first time in many years.

Girl Is Killed By Automobile

Two Young Men Injured In Crash Near Kittanning, Death Car Driver Released

(International News Service)
KITTANNING, Pa., Feb. 5.—Week-end automobile accidents had taken the life of a 6-year-old girl and injured two other persons, it was learned from state highway patrol today.

Little Audrey June McMaisters was fatally injured when struck by an auto driven by J. C. Small, 33, Manorville. The girl was playing near

her home at Numine. Small was released pending an inquest.

Harold Porter, 23, Mahoning, was in the Kittanning hospital today with serious head injuries received when his car overturned. Frederick Chester, 17, Mahoning, a passenger with Porter, also was injured.

Lott's Home Is Damaged By Gas Explosion

C. E. Lott, 48, of Pittsburgh, who was injured when his home was wrecked by a gas explosion Sunday, a director of the New Castle Refractories Company it was learned today. Mr. Lott makes business trips to New Castle, his last one being Thursday, February 1, when the annual meeting of the local company was held.

The gas explosion that wrecked Lott's Squirrel Hill home of Mr. Lott occurred just at dinner time. Mr. and Mrs. Lott had been to church and were waiting dinner. The pilot light in the gas boiler had gone out and the accumulated gas was ignited when it seeped through the furnace door. Both Mr. and Mrs. Lott were injured as were their children, Dorothy and John and two maids. The damage is established at \$75,000.

Real Test For National Labor Board Is Near

(International News Service)
PITTSBURGH, Feb. 5.—Signalizing the first test of power in the latest crisis between the national labor board and the steel corporations, a meeting of Pittsburgh's regional labor board was scheduled today as preparations were made to receive a national labor board representative tomorrow.

It is expected that the house-to-house poll of Weirton Steel Company workers will be started later in the week. Milton Handler, general counsel of the labor board, is believed to be ready to enforce a demand upon the Weirton Company for an approved payroll list of employees, without which it would be impossible to poll the workers in compliance with President Roosevelt's order of last week as a possible preliminary to a new election of representatives for collective bargaining.

Counsel for the steel concerns are expected to ask a court injunction to prevent the poll being taken without a payroll list, and it is not ready to submit one under the present circumstances. It was believed the steel concerns continue steadfast in their assertion that the labor board has no power to enforce orders. According to their counsel, the NLRB can only mediate, conciliate and arbitrate.

Revival Attracts Crowds All Sunday

Two Churches Are Used To Accommodate The Afternoon Congregation At Revival

A total of about 1500 people, in two churches that were filled to capacity yesterday heard the Rev. Nathan Cohen Beskin tell the story of his life.

An audience estimated at 1000 filled every part of the Primitive Methodist church long before the announced time of starting. The service began a half-hour before time for the reason that every available space was filled. After a song service led by Rev. Whetsell, pastor of the local Nazarene church and a duet by Mr. and Mrs. Jackson, Rev. Beskin told of his boyhood in Russia, his coming to America and his conversion in the Salvation Army, and subsequent call to the ministry.

Immediately after conducting the singing in the Primitive church Rev. Whetsell hastened to the Italian M. E. church, South Mill and Phillips streets, which had been filled to capacity long before, and led the song service there. Between 400 and 500 had filled the church with many turned away. After finishing at the Primitive church, Rev. Beskin hurried to the Italian M. E. church where he repeated his address.

The evening service was announced to begin at 7:30, preceded by a young people's meeting at 6. By the time set for this preliminary service all available seats were taken. Rev. Whetsell led the singing, and after two duets came the sermon. Rev. Beskin built his sermon around an Old Testament incident, and stressed the blight of sin, the provisions of grace, and the need of immediate action on the part of the unsaved. It was a masterful sermon and when the call was made 40 responded. Thus closed a wonderful day in the religious history of New Castle.

Charles Armstrong Is Taken By Death

State Insurance Commissioner Dies At His Home In Leechburg, Pa.

(International News Service)
HARRISBURG, Feb. 5.—Charles P. Armstrong, 68, state insurance commissioner and co-author of the new defunct Snyder-Armstrong prohibition enforcement act, lay dead at his home here today.

The commissioner had been in ill health for most of his term and for more than a year had been unable to come to his office. Uremia was given as the cause of death. Funeral services will be held tomorrow afternoon at the Methodist church in Leechburg, where Armstrong had lived most of his life. Burial will be made at the Evergreen cemetery.

A lifelong Republican, Armstrong was appointed insurance commissioner January 20, 1931, by Governor Gifford Pinchot after he had been defeated for the Republican nomination for lieutenant-governor.

Hall Of Fame Floor Sagging, Statues Heavy

Tons Of Marble And Bronze Statues Of Nation's Notables Worries Congress

(International News Service)
WASHINGTON, Feb. 5.—Congress has a new surplus— a surplus of national heroes—and no one seems able to solve this problem.

The floor of the hall of fame in the capitol is groaning under the weight of 60 tons of statues. Architects say the floor may collapse. Why not, asked David Lynn architect of the capitol, simply move some of the statues to the ground floor, virtually a basement floor. But this remedy, which seemed so simple has provoked many complications.

The statues are gifts of state, each nominating two of its greatest men and supply the marble and bronze figures.

Milk Control Board Takes Up Problems

Turns Attention To Effort To Improve Marketing Conditions

(International News Service)
HARRISBURG, Feb. 5.—Its licensing machinery set up, the newly created Pennsylvania milk control board today turned its attention to the problem of improving marketing conditions.

Edward A. Stanford of White-marsh, chairman; Deputy Attorney General Bernard Segal, assigned as counsel to the milk board, and William S. Hagar, deputy secretary of agriculture, were in New York City representing the state at a hearing there called by the United States Department of Agriculture to consider a marketing agreement for the New York and New Jersey metropolitan areas.

Dairy organizations were also expected to have representatives at the meeting.

The Pennsylvania representatives were to discuss the practicability of a tri-state marketing agreement for New York, New Jersey and Pennsylvania. Also to be considered was the desirability of placing Pennsylvania's milk in five classifications for marketing purposes. The proposed code for the Philadelphia milk shed submitted to farmers for study Saturday contains four classifications.

Flashes From Our Night Schools

By V. G. RUBEIS, Supervisor

Howard Wylie, director of dramatics at the North Street school stated today that an added feature is planned for the students this week.

On Friday evening, Mrs. S. D. Pearson, prominent local clubwoman, will deliver a talk on "The history of the Little Theater," before the entire dramatic group. Her lecture will start at 7:30 in the North Street Auditorium. All students of dramatics and their friends will be privileged to attend this lecture.

The three one-act plays, now in rehearsal, will be delivered on the evening of February 21, 22 and 23. The night of February 21, will be observed as Night School Night. Classes will run for half-hour periods, and at 8 o'clock, the night school players will present their play before the entire student body and friends of the school.

Charles Mathews, president of the Phalanx Fraternity, requests all members of the organization interested in the public speaking course, to meet at this school building at 6 o'clock this evening. In the public speaking course, Mr. Wylie will have charge of the study of voice; Mr. O'Neill will have the class in the study of words; and John Stanley will teach the public speaking class.

Dr. C. C. Green states that this is a night school project and these special classes, running from 6 to 7:30 every Monday and Wednesday evenings, are open to all adults interested in the art of public speaking.

Mr. Hayes, instructor in book-keeping and costs accounting, asks all students who have books out, and who do not intend to continue the course of study, to return the books in their possession. Many students with more serious intentions are being retarded because no more text books on these subjects are available.

Grammar books which are out,

are also requested returned by Mrs. McClain, instructor in grammar. New text books are being used in the grammar classes and the old books must be returned to the stock room.

Dr. C. C. Green, head of the Emergency Educational Relief program in the county, stated today that many people do not realize the full value and importance of these night school classes. He stated that they are of the advanced type, free of charge, and are open to all adults, whether employed or not.

The Lincoln and Garfield school is devoted to Americanization classes, primarily, where Americans and aliens wishing to learn how to read and write, may attend classes in grammar, civics, reading, writing and arithmetic.

The latest project to be carried out under the Emergency Educational Relief program, is now under way. Mrs. Alice Guy, teacher of sewing, has begun organization of classes in sewing, which will be carried out in different sections of the city. Any group of six or eight women, interested in sewing is asked to get in touch with Dr. Green's office immediately.

CHARGE YOUTHS SENT THREATS TO AUGUSTA MAN

(International News Service)
AUGUSTA, Me., Feb. 5.—Three high school students, ranging in age from 16 to 18, were to be arraigned here today on charges of sending a letter to William Payson Viles, of Augusta, son of State Senator Blaine S. Viles, threatening to harm his three children if \$20,000 were not delivered to them.

The students, Gerald Towle, 18, Merle Hughes, 18, and Robert Brown, 16, are said by state police to have confessed to sending the letter to Viles.

The boys face 18-year prison terms if convicted.

TWO ARE GIVEN SOJOURN IN JAIL

Joe Samuels and Harry Trusel today were sentenced by Mayor Mayne to a stay in the county jail on conviction of a charge of pandering last night. They told a man one of them was from the south and the other from Fort Wayne. He purchased them supper after which a city policeman espied the pair and locked them up on a pandering charge.

After the mayor heard the story today he said "You two are going east, meaning the county jail. They will be there for the next 30 days."

Statement By Soviet Chief Is Criticised

Japan Says War Talk By Russians Is Only Caused By Fear Of Actual War

(International News Service)
TOKYO, Feb. 5.—Soviet war commissar Voroshiloff's speech warning Japan that Russia is fully prepared for war in the far east was the result of fear on the part of leading Soviet officials, according to the opinion expressed unofficially at the Japanese war ministry today.
It was estimated the Japanese do not consider Voroshiloff's remarks worthy of any attention and that they believe Russian leaders are victims of illusion. They fear, but have no cause to fear, according to the Tokyo view.
Japanese militarists belittle the Voroshiloff speech as being based upon the "imaginary" fear Japan is her enemy, pointing out that Soviet leaders in the past have made similar utterances about various western powers.
Despite the promise of the government to suppress such publications, to new popular pamphlets denigrating Japanese war have been circulated throughout Tokyo, one dealing with an imaginary Russo-Japanese conflict and the other with a war between Japan and the United States.

Trial Starts In Death Of Girl At Pittsburgh, Pa.

Smiling Mulls Go On Trial For Brutal Death Of "Mystery Girl" Margaret Schwickrath

(International News Service)
PITTSBURGH, Feb. 5.—Commonwealth attorneys today will open their fight to avenge the death of Pittsburgh's "mystery" girl as the murder trial of the smiling Mulls—husband, wife and son—opens in criminal court here today.
Roy Mull, 47; his wife, Grace, 40, and their son, Elmer, 19, whose faces were covered by smiles at preliminary hearings, are the last persons known to have seen the "mystery girl", later identified as Margaret Schwickrath, 24, alive.
Approximately 30 witnesses will be called by the state.

Joshua Postpones Sermon In Series

Leaves Sunday Afternoon For New York To Meet Wife On Arrival From England

Due to a change in plans, Rev. C. S. Joshua, pastor of the Croton M. E. church did not occupy his pulpit Sunday evening, leaving for New York during the afternoon, in order to be present on the arrival of his wife, who is returning from England.
Mrs. Joshua is expected to land in New York Tuesday morning from the S. S. Olympic. She has been in England since last August, where she accompanied her daughters, Ruth and Betty, who are studying at the Royal Academy of London.
Rev. Joshua will present his dramatized sermon, "The Night He Warmed Himself," on next Sunday evening. Rev. Ben Watkins, pastor of the City Mission, occupied the Croton M. E. pulpit last evening.

Greta And Her Director Leave Hollywood Again

Famous Screen Actress And Director Reported On Train Enroute To East

(International News Service)
HOLLYWOOD, Feb. 5.—Indications today were the western premiere of Greta Garbo's new picture would be staged here Friday night without the presence of the star or her director.
Garbo does not attend premieres of her pictures.
Rouben Mamoulian, who directed Garbo in the new picture, was reported by friends enroute to New York and possibly Europe. His itinerary, however, was cloaked in secrecy.
There was no confirmation of reports Miss Garbo also was on her way to New York.
Since the "hide-and-seek" vacation which Miss Garbo and Mamoulian enjoyed last month in Arizona following completion of the picture, Mamoulian has avoided interviews.
Garbo has maintained her customary silence.

NEW OIL STRIKE IN BUTLER COUNTY

BUTLER, Pa., Feb. 5.—Interest in oil production in Butler county has been stimulated by two good wells which were drilled last week in Oakland township, north of the Thorn Run dam. A well owned by Heeter brothers of Butler on the Henry heirs farm is producing 30 barrels daily, and a well on the T. E. Coover farm is pumping at the rate of 25 barrels.

Local Truckers Urge Approval Of NRA Code

By ARTHUR C. WIMER, Special Washington Correspondent, New Castle News
WASHINGTON, D. C., Feb. 5.—Representative J. Howard Swick has received a number of letters and telegrams from trucking and transfer concerns of his district urging early approval of the proposed NRA code for the industry.
The messages point out that costs of operating the trucking and transfer business have increased materially under the recovery program and that operators face bankruptcy unless accorded some relief. They express the belief this relief would come from the NRA code and ask its early imposition.
Congressman Swick has referred the messages to NRA Administrator Hugh Johnson with the request that speedy action be taken. The NRA is independent of Congress, however, and truckers and transfer operators wishing to support the proposed code could register their sentiment more directly by addressing communications directly to General Johnson.
Among those New Castle concerns and persons who have petitioned Congressman Swick to urge early approval of the code are:
The Keystone-Lawrence Transfer Company; Mooney Brothers; M. A. Mulcahy; Fendel & Snyder; Thos. Anderson; H. S. Kels Transfer Company; John E. Yoho; John Velker and D. B. McKnight.

Transient Division Gets Trespassers

Out-Of-Towners, Taken Off Trains, To Be Handled By Relief Office

Two Florida men, Glenn Pendleton and Clifford Crane, arrested on Saturday as Baltimore and Ohio railroad trespassers were sent to county jail today by Alderman Wallace J. Ewing, pending final disposition of their case by the transient division of the Lawrence County Emergency Relief board.
Under a new federal plan, all trespassers are expected to be turned over to the transient authorities of the relief boards. Arrangements for their care here or return trip home will be made by them.
Alderman Ewing also turned over to County Parole and Probation Officer Jack M. Dunlap, a 15 year old New York lad who gave his name as Frank Schandall. The boy was taken off the locomotive of a fast B. & O. passenger train here Saturday. He will probably be handed over to the transient supervisors.

Stamp Taxes Paid In Pennsylvania Show Increase

By ARTHUR C. WIMER, Special Washington Correspondent, New Castle News
WASHINGTON, D. C., Feb. 5.—Stamp taxes paid by Pennsylvania to Uncle Sam increased materially last year as compared with 1932, the Bureau of Internal Revenue reported today.
Stamp taxes collected in Pennsylvania on bonds of indebtedness, capital stock issues, and the like mounted to \$876,726 in 1933 from \$524,903 in 1932. Stamp collections on capital stock transfers increased from \$438,921 to \$601,977.
Stamp taxes on playing cards collected in the Keystone state, on the other hand, fell from \$193 in 1932 to \$162.29 in 1933.
Stamp tax receipts in the nation as a whole showed a decided improvement upward in 1933 over the previous year.

Touring Club Of 1901 Appears In Y. W. Show

Remember "away back when" automobiles first came out? Remember the little goabouts with the steering handles like the tiller of a sailboat? Remember when the engine was under the front seat and you cranked it on the side? Remember the model with the buggy wheels and the dashboard? Those memories are a big laugh, and the humorous experience and the trick motoring garb are recalled in "Up In The Air" when the "Touring Club of Nineteen One" make their appearance in the first act of the Y. W. C. A. musical comedy to be presented Feb. 15-16 in the Cathedral auditorium.

The men, attired in their linen dusters, goggles and gamuts, the women in their bell-bottomed skirts, motoring veils, pancake hats and pompadour hair dress, bring back to you the days when the kids lolled "ice wagon" at the proud motorist as he guided his kicking, snorting bus down the street, while the sputtering exhaust made you think that you were riding a cranky kerosene stove on wheels. This group will be one of the outstanding ones of this production, and in it you will see:

Tourists—Don Potter, Don Huffman, Claude Crill, Charles E. Stritmatter, Arleen W. Stone, Sis Hopkins Rodgers, Marion Wilson, Ruth Weir, Leona Sankey, Prudence Sankey, Fred Warner and Sonny Oesterling.

Assure Dry Goods Employees Steady Work During 1934

(International News Service)
NEW YORK, Feb. 5.—Steady employment for the 600,000 persons employed in department stores is virtually assured through 1934, according to present business indications, it was announced Saturday by the controllers' congress of the National Retail Dry Goods association following a survey conducted in 12 federal reserve districts.
If business continues to improve many more workers still unemployed can hope to obtain jobs in stores, the survey indicated.
The survey on gross margin and payrolls showed that in 1933 operating costs in stores were lower for the first time in four years and that stores were approaching a sound operating basis and recording an improved gross margin ratio.

Westminster Tops Duquesne 37 To 34 In Terrific Battle

Hunneke Drops In Field Goal That Clinches Important Victory For Titans

Three Duke Players Forced Out Of Game On Fouls; Sweeney And Ley-shock Star

(Special To The News)
SHARON, Pa., Feb. 5.—Westminster's Titan basketball team halted the 24-game winning streak of the Duquesne basketball team at the Sharon high gym Saturday night in one of the wildest and most exciting contests seen here in many a day. The final score was 37 to 34. It was a basketball game all the way. Coach John Lawler's machine evened up the 1934 series with the Dukes. The Dukes started in at a terrific clip and soon had the Titans on the short end, 12 to 3. The Westminster team, active under orders from Coach Lawler, started off slowly. They were told to get their bearings first and then proceed to pile up the points. The Dukes ran the score to 19 to 6 before the Westminster big guns got under way.

Dukes Take Lead
The Duquesne team led, 19 to 14, at the end of the first half. McDougall, the big Duke center, had tried his level best to stay with Wes Bennett and had four personal fouls and was chased out of the game. Brenner took up the center duties for the Daviesmen.

After a careful analysis and admonition by Coach Lawler at the end of the first half the Titans returned to the floor and played the best brand of basketball seen this year. It was tough and nail in the final 20 minutes of play. The Titans crept close to the Dukes. Sweeney covered himself with glory by getting two field goals and three fouls for eight points and causing Marty Reiter, the star Duke guard, to leave the game via four personal fouls. Duddy Moore, the other Duke guard, also took an early shower via the four personal foul route. He lasted but two minutes in the second half.

Hunneke's Toss Wins
As the game drew to a close the Dukes held a 34 to 33 lead, after Westminster had been in front during most of the second half. There was but a minute and a half left to play and the Dukes' line over the Titans seemed to be in for another good evening, but Hunneke changed the complexion of the game by taking the tip-off and sinking a long field goal that sent the Titans ahead. The battle became desperate. The Dukes tried to even up the score. With only a few seconds left to play William grabbed the ball and made it safe with a sensational field goal and then he fouled and had two free shots at the basket, and missed them both, but the Westminster followers didn't care one bit, because the old ball game was in the "bag" and the Dukes had taken it on the chin from as lightning a band of Titan basketball players as ever represented the United Presbyterian school.

Titans Show Fight
Summing it all up, one can say the Dukes started too fast and played themselves rather than the Titans were slower starting and more deliberate. In the second half the Westminster team showed slightly superior physical strength and power. The Dukes were watching Bennett all evening. The big Akron star could not go anywhere without a couple of Dukes watching him like a federal agent after a kidnaper. Bennett did manage to get in a field goal when they weren't looking, but it was at the foul line that the star Titan pivot man came through, making eight charity throws. Leyshock, Sweeney and Hunneke supplied the majority of the points.

Capacity Crowd
Birch and Feldman were the big guns in the attack of the men from the Bluff. It was a rough game from start to finish, with 46 fouls being called. The Westminster team dropped in 15 out of 26, not a handsome record, but good enough to win. The Dukes dropped in 10 out of 20.

It is estimated that about 2,000

fans witnessed the game. The Sharon high gym was packed to capacity.

Good Work Titans

The summary:	FG.	F.	TP.

Titans To Play Bethany Tonight

Westminster Team To Play At Home Tonight In Tri-State Conference Game

GAME TO START AT 8:15 O'CLOCK

(Special To The News)
NEW WILMINGTON, Pa., Feb. 5.—Westminster basketball team will not get much rest until tomorrow, because tonight the conquerors of the Duke of Duquesne will play the Bethany College team at the Westminster gym. The game will start at 8:15 o'clock.

Bethany has yet to win a Tri-State league victory, and have lost one game in the conference. The Westminster team is holding tenaciously to first place along with the Geneva College team and a victory tonight will be another stepping stone to the ultimate championship of the Tri-State.

Geneva will play one Tri-State league game this week, meeting Grove City at Grove City. The Bethany team may give the Titans a real battle tonight. The Lawthermen will no doubt be tired after the struggle at Sharon Saturday night, and the Bisons may catch the United Presbyterians off stride, however this is only a possibility, and the Titans are favored to upset the Bethany team. Bethany will play at Triel Tuesday evening.

Railroaders To Share Golf Night

Pennsylvania R. R. Team Will Have Charge Of Program Wednesday Evening

Another big golf night is looked forward to on Wednesday evening, when the Pennsylvania R. R. team, headed by Secretary Walter DeArment, of the New Castle Golf League, will strut their stuff for the benefit of the golf fans of the city.

Walt promises just as nice a program as has been staged this winter, and the Muni Clubhouse is again expected to be taxed to capacity. These programs were instituted soon after the close of the golf season and have been increasing in interest. Each team in the league has had charge of a program and some exceptional amateur talent has been uncovered through this medium.

Tickets for Wednesday's party are in the hands of the various team captains.

HERE AND THERE IN SPORTS' LAND

Powell Crosley, Jr., has been named president of the Cincinnati Baseball club following by action of the syndicate which controls the club. The syndicate is made up of Crosley, L. S. McPhail, executive vice president of the club and Charles Sawyer, lieutenant-governor of Ohio. Bob O'Farrell will remain as manager of the Reds.

Penn is deadlocked for first place in the Eastern Intercollegiate Basketball league as a result of their 26-22 win over Yale who previously this season had beaten Penn.

Maxie Rosenbloom will defend his light-heavyweight boxing championship against Joe Knight at Miami tonight and Friday night at New York. King Levinaky will take on Charlie Mussera, Pittsburgh heavy-weight.

New Wilmington To Play Union

Important County League Game Will Be Played At Union Floor Tuesday

New Wilmington high school basketball team will be the attraction at the Union high gym Tuesday evening, according to an announcement by Coach Dave Boyd today. This is a County League game and one of the most important of the year. Union needs a victory to stay up at the top of the heap along with Bessemer. The girls of the two schools will be playing the preliminary game at 7:30 o'clock.

The New Wilmington team defeated Union earlier in the season at the New Wilmington floor, but Union is expected to even up the series on their own floor. Coach Boyd will send Boron, Monica, Morrison, Schabas and White into the fray full of confidence that they can upset this Wilmington machine.

Baseball Men Are Gathering

Trade Winds In Air As Major League Meeting Is Called For New York City

SEVERAL PLAYERS PLACED ON BLOCK

By DAVIS J. WALSH
International News Service Sports Editor.

NEW YORK, Feb. 5.—Stories of trades, pending, impending and merely imaginary, filled the air today as baseball men began to gather about in lobbies here and blather pointlessly about things that can't happen to people who don't care. This is an inevitable prelude to the major league meeting tomorrow, called to consider the allotment of 1934 dates. The meeting, in fact, is generally a formality, for which men often travel thousands of miles because it feels so good when they go back. Sometimes they don't even so much as send a first baseman to Little Rock.

Anyhow, one of the things the boys are supposed to do this time is the exchange of a few minor chatelets between the Brooklyn and Boston clubs and another item called for Don Hurst to go to Cincinnati in exchange for Jim Bottomley.

Reds Elect Head.
I don't know what bearing the overnight sale of the Reds to Powell Crosley, radio man, will have on this and other contemplated steps, but Bottomley is supposed to be harboring indignation because he wasn't named manager, instead of Bob O'Farrell, and it's sometimes simpler just to trade that kind to somebody who isn't looking and ask no further questions.

That's one of the reasons that Joe Stripp of Brooklyn is understood to be on the counter and may either wind up in St. Louis or Boston. It seems that the manager of the Brooklyn club is in a tough spot with Joe. He contends that you can't manage a man you don't speak to. A gent by the name of Bill Urbanski and others were said to figure on the Boston end. But then a gent by the name of Sam Leslie was also said to figure on the Brooklyn end and I notice he signed his contract the other day. So that part of it seems to be a lot of light, airy banter.

Yanks Want Farrell.
There's been some talk, however, about Pat Malone going from Chicago to Cincinnati for Paul Deringer, although I'll say that, if they go through with it, both clubs have to be on the alert. But themselves Brooklyn 'also has some malcontents around that it would like to toast upon the nearest sucker, the estimable but portly Mr. Lew Hackberry Wilson among them. However, I don't mind adding that the sucker list need not include the Phillies. With that comical right field wall waiting for him, Mr. Wilson would be a good buy in Philadelphia if the price was right. I have an idea, in fact, that the Dodgers would almost be willing to trade Mr. Wilson for nothing, even up.

Speaking about nothing, the Indians probably are still anxious to do business for Wes Ferrell, who has no arm and wants more than \$5,000 for it.

The Yankees want to make a trade with somebody and might fall for Ferrell.

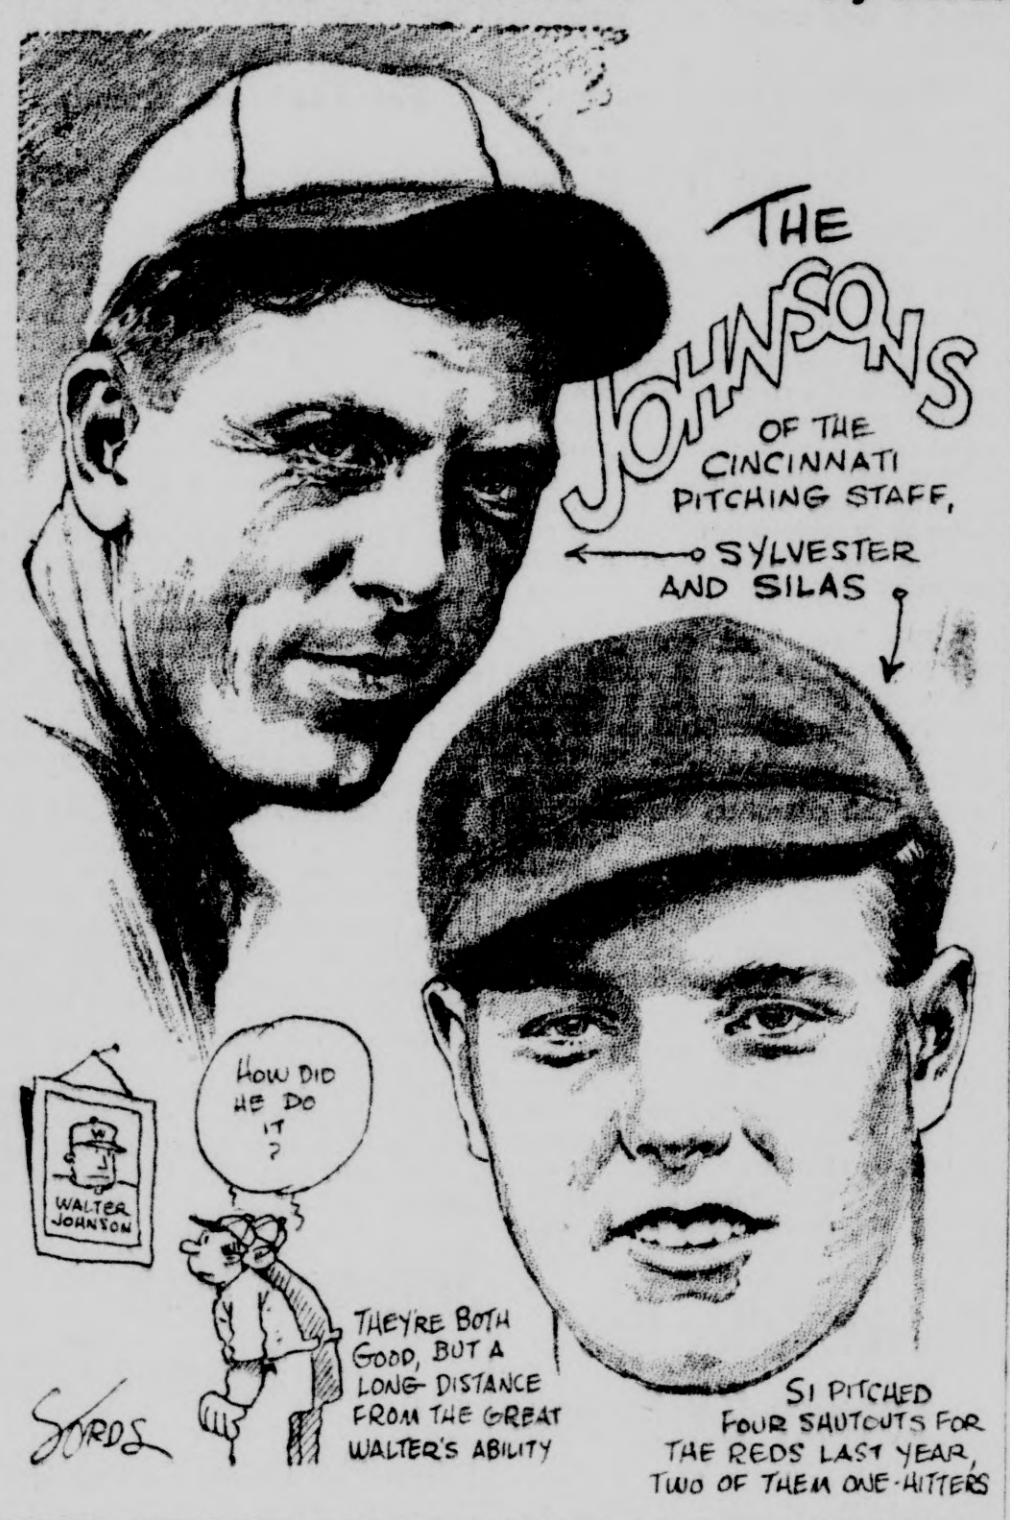

Three Basketball Games At Y Tuesday

St. Elias will oppose First Baptists. Tifereth Israel will take on First M. E. and Epworth M. E. will play Wesley M. E. Tuesday night, in Church Basketball League games at the Y. M. C. A.

The games will be played in the foregoing order.

If he pretends to know the difference between wines, you can sell him any set of books that will make impressive furniture.

Football Coaches Against Changing Any Of 1933 Rules

(International News Service)
NEW YORK, Feb. 5.—Any important changes in the football rules, as eliminating the touchback for an incomplete forward pass into the end zone, will not spring from the football coaches of the country, but will have to be suggested by the non-professional members of the National Rules committee, it became clear today.

Saturday's meeting of the rules section of the American Football Coaches Association issued the most conservative statement imaginable, expressing the coaches almost complete satisfaction with the game as it is, emphasizing their concern for the safety of the players and proposing nothing more radical than the abolition of the penalty for each incomplete forward after the first one in any series of downs.

The effect of this statement, if adopted, is not expected by football men to be very great. As Lou Little, Columbia coach and head of the Coaches' Association, remarked, "any team that wants to pass has always done so, and the five-yard penalty has been negligible as a deterrent."

New Castle Y Mat Team Wins

George Brothers, Gennock, Grittle And Walter Adams Win

PHIL ADAMS, Fabian LOSE FAST BOUTS

New Castle Y had no difficulty defeating California State Normal in a wrestling meet at the Y Saturday night. New Castle Y won 23 to 10, by taking five of the seven bouts.

One of the best matches was between Phil Adams, Y and Tower of California State Normal. Adams lost in four minutes and seven seconds but the four minutes and seconds were filled with action, seldom seen in an amateur bout. Tower scored his fall with an armlock.

They are light-heavyweights. Another bout that had the fans popped was between Paul Fabian of the Y and Ross of California State Normal. The heavyweights had to go two extra two minute periods before Ross won. Paul weighed 180 and Ross 203.

Other matches resulted as follows: 126 pounds—Tom Grittle, Y, beat Phil Cappalong, California State, by a time advantage of two minutes and three seconds.

135 pounds—Johnny George, Y, defeated F. Skinner, California State, by a fall in four minutes and eleven seconds with a half nelson and body hold.

145 pounds—Nick George, Y, threw Bradley, California State, with a headlock and body hold in four minutes and fifty two seconds.

150 pounds—Walter Adams, Y, downed Brooks, California State, with a body hold and Grapvine in four minutes and fifty-five seconds.

145 pounds—Tony Gennock, Y, pinned C. Biggs, California State, with a body slam and half nelson in six minutes and 16 seconds.

Loughran Ranked As The Best Heavy

Steve Hamas, Former Penn State Star, Ranked Fourth, Carnera Third

(International News Service)
NEW YORK, Feb. 5.—Charley Hamas, who is serving Steve Hamas in against Max Schmeling, at Philadelphia on February 13, today announced his rating of the present crop of heavyweights, being modest enough to place Steve's name No. 4 on the list, not forgetting, however, to drop Herr Max down in No. 5 place, one below his man.

Harvey has Tommy Loughran topping the entire crew, which is the first important prediction rendered concerning the outcome of Tommy's battle with Primo Carnera.

Indeed Harvey plunks Carnera in to No. 3 position, rating Max Baer ahead of him, whom he places second on his list.

Harvey's complete ratings follow: 1.—Tom Loughran, Philadelphia 2.—Max Baer, California 3.—Primo Carnera, Italy 4.—Steve Hamas, New York 5.—Max Schmeling, Germany 6.—King Levinsky, Chicago

Explaining his selections, Harvey said: "Naturally, there is bound to be considerable difference of opinion. The more the merrier—it creates real interest."

CLASS GAMES STARTING
A team of senior A's and another of senior B's are due to meet each other at the Senior high school on Tuesday in the opening game of the boys inter-class league at the school. The junior A's vs. the junior B's next Friday. Ten games are scheduled.

Massanutten Will Bring Big Team To Meet High School

Massanutten Academy Of Woodstock, Va., Has Team Of Six-Footers

Will Play New Castle High At Washington Gym Wednesday Night

Massanutten Academy basketball team, hailing from Woodstock, Va., will be the basketball dish for the New Castle high fans Wednesday evening at George Washington junior high floor. Faculty Manager Ralph H. Gardner in scheduling this crackjack prep school team has gained popular favor with the fans. There will be a preliminary game to the main attraction with the New Castle Preserves playing the Gersons. The first game will start at 7:30 o'clock.

This Massanutten team is composed of giants, and they will probably be just as good as they are press-agented to be. The Massanutten team has not been defeated in two years and they are out to snap the winning streak of the New Castle team.

All Six Footers.
Here is the way the Massanutten machine will line up and also the size of the starting five men: Marty Hale of Braddock high, center, 6 feet 3 inches (this boy played against New Castle while at Braddock); Bruce Henry of Plainfield, N. J., a forward, 6 feet 2 inches; Harold Fawcett of Bartlett, O., another 6 footer; Fabricamp of Pawtucket, R. I., a guard and captain, 6 feet 1 inch tall. Fabricamp is the finest guard in the state of Virginia and one of the best in the eastern part of the country. The other guard is Ambrosini of East Orange, N. J., also 6 feet 2 inches tall.

The other men on the Massanutten team will be Atchison of West Virginia, one of the best forwards in the east and co-captain of the team; Brindle and Kady of Martinsburg, W. Va., and Fouts, the smallest man on the squad.

Six different states are represented in the lineup of the Virginia school and they are all real sportsmen. The team has the reputation of playing clean hard basketball.

Locals Look Good.
The Massanutten team is on a tour of this district and were desirous of tangling with the great New Castle high school quintet coached by Phil Bridenbaugh. A real engagement is looked for. This will be the final warmup game for the locals prior to the start of the second half of the section three league race.

New Castle's new combination of Kelly and Reiber at the forwards. Miles at center and Komline and Ostrosky at the guards will be on display once more and if they play the same brand of basketball that they did against South Hills, the Virginia lads are going to find it tough sledding. Reiber is a whiz at forward and big Joe Kelly is playing the best basketball of his career.

Olympics Schedule West Pittsburgh

Olympics basketball team of the South Side has scheduled the strong West Pittsburgh Indians for a basketball game at the New Castle Armory floor Tuesday evening. The game will start at 8 o'clock. Coach Norman Ray has the Olympics going at a fast clip.

Ridley and Bailey will be in the lineup of the Olympics tomorrow night. Business Manager "Chuck" Valle announces that he would like to get in touch with the managers of the Gersons, Confederates of New Wilmington, Polish Falcon Reserves, East Brook, Mt. Jackson, or any other fast independent team for games. Call 1707 M. and ask for "Chuck".

"Help" is colloquial in the United States for "a servant," "servants" or "employees."

Slippery Rock To Battle Shenango On Tuesday Night

Slippery Rock high school basketball team, members of Section 18 of the W. P. I. A. L. will be the attraction at the Shenango high floor on Tuesday evening, it was announced by Coach Ed Raney today. The Shenango high girls will play the Princeton girls in the preliminary game at 7:30 o'clock.

This is the first meeting of the year between Slippery Rock and Shenango and a fast game is looked for. Coach Raney is anxious to get the Shenango boys off their losing streak, and will use his strongest lineup in an effort to get a victory.

Second U. P. Five Defeats Athletics

Second U. P. church basketball team handed the Athletics a 25 to 10 defeat Saturday at the senior high floor. The stars of the game were Dunlap, Stitz, Kennedy, Pace and Small. The Second U. P. team led all during the game.

John Wehmans' Observe Golden Wedding Event

ELLWOOD CITY, Feb. 5.—An interesting social event of Sunday, September 4, took place at the home of Mr. and Mrs. John Wehman of Ellport, when they celebrated at an afternoon and evening reception, the fiftieth anniversary of their marriage.

At 1 o'clock a dinner was served at a beautifully appointed table to members of the immediate family. Covers were arranged for the honored guests, Mr. and Mrs. Clarence Wehman of Pittsburgh; Mr. and Mrs. Russell Wehman and son Leon of Evans City; Mr. and Mrs. Arthur Wehman and children, Marie, Pauline, Irene, Warren, Lawrence and Arthur of Wayne township; Mrs. Cora Wehman of Ellwood; Mr. and Mrs. Philip Volke and son Carl, of McKeesport; Martha and Daniel Wehman, of Ellport.

The wedding fifty years ago took place at the parsonage of the English Lutheran church of Middle Lancaster with the pastor, Rev. Peter Riffer, officiating. The bride was Anna B. Wagner daughter of Mr. and Mrs. John Wagner of Pittsburgh and the groom was John Wehman, son of Mr. and Mrs. J. F. Wehman of Wayne township.

Throughout the afternoon and evening yesterday, approximately 100 relatives and friends called and congratulated the honored ones on this happy event. A collection of gifts and floral remembrances were presented to the couple, testifying to the esteem and affection of which they are held.

DAMES OF MALTA

ELLWOOD CITY, Feb. 5.—Local lodge of the Dames of Malta held their regular meeting Friday night in the K. of P. Hall on Fourth St. with a good attendance present. At the business meeting a card party was held. Refreshments were served later by Mrs. Wiley and her committee.

Woman Injured In Falling From Car

Miss Marjorie Maine Suffers Injuries When Door Of Car Opens

ELLWOOD CITY, Feb. 5.—Miss Marjorie Maine, chief operator of the local Bell Telephone company, is convalescing at her home here after suffering a number of painful injuries which she received in a peculiar accident Sunday afternoon.

She was riding in the car of Miss Belle Weizer on the Ellwood-Zelienople road. Attempting to pull down a window in the car, she snatched the wrong knob and caused the door to open. She was hurled out into the road on her face, which was considerably bruised. A number of teeth were knocked loose in her jaw. She also suffered painful injuries to her head.

The injured woman was immediately taken to the office of a local physician where first aid treatment was given. It was announced that it will be several days before Miss Maine will be able to resume her duties.

Funeral Services For J. W. Snare

ELLWOOD CITY, Feb. 5.—A wide circle of bereaved relatives and friends paid their final tribute to John W. Snare, whose death occurred at his home on the Ellwood-New Castle road following an illness of several months, by attending the funeral services held yesterday afternoon at 2:30 from the First Methodist church. Rev. R. H. Little, pastor of the church, served as officiant and he was assisted by Rev. Charles Bell of Ellwood and Rev. R. C. Echeheart of the First Methodist church of Freedom.

Mr. Snare had been a resident of this city for 21 years and was well-known and highly respected. A quartet composed of Charles Raberman, Paul Winters, Harold Burns and John Brown contributed two beautiful selections.

He was a member of the I. O. O. F. lodge which held services Saturday evening at the home and was a member of the K. of P. lodge of Wampum and Modern Woodmen of America.

Interment was made in the Locust Grove cemetery with the following nephews as pallbearers: James and Kenneth Moody, Merle and Raymond Wiltrott, John Snare, Jr., and John Emeric.

FIRST BAPTIST

ELLWOOD CITY, Feb. 5.—A meeting of missionary group No. 4 this evening at the home of Mrs. Bert Fisher on Wayne avenue. Group No. 1 will meet Tuesday night in the church parlors with Mrs. Chester Rodgers as the hostess. Also group No. 3 will meet at the home of Mrs. Frank Klindienst in Knox. Children's World Crusaders Wednesday at 7:30 p. m. Prayer meeting at 7:30. This will be followed by a meeting of the deacons and a rehearsal of the church choir. Sunday school workers conference on Thursday at 8:30 p. m. There will be cottage prayer meetings in each ward of the city on Monday and Thursday of this week.

M. E. CHURCH

ELLWOOD CITY, Feb. 5.—Friendship Circle class Monday night at the home of Mrs. H. H. Reynolds on Sixth street. Tuesday night, Women's Foreign Missionary society at the home of Mrs. Clyde S. Hill on Fountain avenue. Prayer meeting on Wednesday evening. The subject will be "Preparing for Lent." After the prayer meeting there will be a meeting of the official board. Also a meeting of the Ladies Aid society with Mrs. R. A. Snedden and Mrs. C. C. Hall as hostesses.

BOARD MEETINGS

Ellwood City, Feb. 5.—Directors of the Franklin township school board will convene in regular session this evening at the North Star school-house.

Decision as to where the 150 pupils who attended the Wurttemberg consolidated school building which burned last Wednesday morning, will be made this evening when the members of the Perry township board assemble for the monthly business meeting.

FIRST PRESBYTERIAN

A workers supper conference will be held Wednesday evening at 6 o'clock. Prayer meeting at 7:45. A church social will be held by the Smith society on Friday evening at 8 o'clock.

Wiley-Wehman Wedding Saturday

ELLWOOD CITY, Feb. 5.—Saturday, February 3, was the date chosen by Miss Violet M. Wiley, daughter of Mr. and Mrs. Ralph B. Wiley of Pleasant Hill to become the bride of Charles Wehman son of Mr. and Mrs. Harry Wehman of Wurttemberg.

The wedding was celebrated at 4 o'clock at the First Christian church with the pastor, Rev. H. D. K. Huber, serving as officiant using the single ring ceremony.

The bride was attractively attired in a frock of robin-egg blue crepe with harmonizing accessories and wore a corsage of rosebuds. They were attended by Mr. and Mrs. Harold Gillespie with the latter wearing a frock of rust crepe.

At 7 o'clock a wedding dinner and reception was tendered the bridal party at the bride's home at Wild Hill. The table was beautifully adorned with a large wedding cake. Covers were arranged for Mr. and Mrs. Roger Elliot, Mr. and Mrs. Steven Keul, Mr. and Mrs. Harold Gillespie, Mr. and Mrs. Harry Wehman, June VanHorn, Leanna Johnson, Naomi Lutz, Catherine Wiley, Jack Shirling, Earl Cunningham, Donald Howells and Jack Steckman. The hostess was assisted in serving a sumptuous dinner by Mrs. R. E. Lutz.

Later in the evening a circle of friends gathered at the Wiley home and tendered the newlyweds a serenade. After much merrymaking the group were invited into the home where an evening of fun ensued.

Dispensing with a wedding trip for the present Mr. and Mrs. Wehman will reside at Wurttemberg.

WAYNE TOWNSHIP

ELLWOOD CITY, Feb. 5.—With all members answering the roll call the Wayne township school board convened in regular session Saturday evening at the Hopedale school-house.

The usual routine matters were transacted. No decision has been forwarded from the PWA as to whether or not they will be granted funds to be used in the construction of a new 12 room high school or rapidly. The repairs to the school building to secure this loan have been under way for several months but no definite action has been taken by the government officials.

The repairs and playgrounds under CWA construction at the Park Gate schoolhouse are progressing rapidly. The repairs include the painting and securing of numerous other improvements to the building. A stone wall will be built around the playgrounds in order to prevent motorists from using the grounds as a streetway.

New Castle Woman Heir In Estate

MERCER, Pa., Feb. 5.—Arguments are being heard before Judge James A. McLaughrey today on a petition to dismiss a petition of the heirs of the late Fred Koehler of Sharon, in which it was asked that a will offered for probate be revoked, on the grounds that there was a later will. Koehler died in January, 1933, leaving an estate appraised at \$191,489.31.

A will written in 1921 was offered for probate. It distributed the property among various persons.

Objection to the probating of this will was filed by John Koehler, a brother of Cleveland, O., and Mrs. Mary Valdez of Warren, O., and Mrs. Ella Thayer of New Castle, sisters of decedent.

It was claimed by them that a will had been written in 1929 which would supersede the one offered for probate. Under it the petitioners would get a much larger share of the estate.

It is claimed, however, that the will alleged to have been written in 1929 has never been produced, and for that reason it is asked that the petition be dismissed. Judge McLaughrey will hand down an opinion later.

CAR DAMAGED IN OHIO ACCIDENT

BOY SCOUT Activities

WILL HEAR ROOSEVELT

Speaking direct from the White House, President Roosevelt will outline to Lawrence county's and the nation's Boy Scouts just what he wants them to do in 1934 on Saturday, February 10, one of the outstanding days scheduled for Scout's week-long anniversary.

From every troop in Lawrence county will come delegations here that day to mobilize in the Y. M. C. A. gymnasium to hear the Chief Executive talk. In similar gatherings all over the country other Boy Scouts will also hear the message.

The local assemblage will take place at 11:45 a. m. one week from today. Radios will be installed to carry the White House orders.

The next day after the Y roundup, the county's scouts will attend special church services with New Castle's boys gathering in the Second U. P. church, County Line street, where Dr. C. K. McGeorge will preach a fitting sermon.

Monday, February 12, according to plans is tentatively set as the night for the city's annual fathers' and sons' banquet.

Scout Week opens on Thursday, February 8, the birthday of Scouting, with a public program at George Washington high school. On Friday, the day following, troops will hold special programs.

President Roosevelt is honorary president of the Boy Scouts organization.

SEASCOOTS KEEP BUSY

Seascouts of Troop 15 of the First Christian church held an inspection hike on Saturday at their new hut in Cascade Park. Mate Bill Pherson led the group with Coxswain George Horton assisting.

Ontario Speaker Is Heard By Rotarians

A motion picture trip into one of northern Ontario's richest gold mines was enjoyed by the New Castle Rotarians today after Fred Folger, goodwill ambassador of the Ontario Travel Club, had described the wonders of that section to them at their luncheon in The Castleton today.

Mr. Folger is a member of the Niagara Falls Rotary Club. Superintendent of Schools C. C. Green reported to the club that headway is being made on Rotary's plan to have deserted farms of Lawrence county—those acquired by the county for taxes—turned into potential timber land. The matter is to be presented to CWA Administrator L. B. Round for consideration as a CWA project, it is understood.

Forbes Burdette, ne manager here for the Manufacturer's Light & Heat company, was inducted into the club today.

Guests at the luncheon were W. J. Conway New Wilmington, publisher of the New Wilmington Globe; Prof. A. T. Cordray of the Westminster faculty and Dr. Frederick Taylor of near Pulaski.

Clothing Repair Classes To Open

In view of the fact that the American Red Cross has discontinued the practice of giving out clothing, the Emergency Education-Relief will open clothing repair classes tonight, Dr. C. C. Green, announced today.

There will be four centers, all of them in private homes, with Mrs. Alice Guy instructing the classes. The centers will be located in Croton, Center street, South Side and the Seventh Ward. Women will be taught how to repair and alter clothing, with no cost for instruction.

OFFICIALS HOPE P. R. R. PROGRAM WILL HELP CITY

Foresee Indirect Benefits—May
Call Shopmen To Other
Cities

The Pennsylvania railroad's newly announced plans for a gigantic \$77,000,000 electrification and equipment building program have possibilities of benefitting the city's seventh ward car repair shop, or at least some furloughed shopmen here, but no definite benefit could be pointed out today.

Superintendent C. W. Van Nort stated that in some way or another the seventh ward reconditioning center may feel the result of this week's announcement of President W. W. Atterbury. He admitted, however, that most of the benefits will go to the larger shops where new cars are constructed and not alone repaired. The local shop only reconditions old cars.

May Help Furloughed Men

Explaining that, to his understanding, the contract between the federal government and the Pennsylvania specifies the use of "new materials" in the building of cars and the employment of "furloughed workers" to do the building, Superintendent Van Nort indicated that some of the local shopmen now on furlough may have a chance of finding employment in the Pitsburgh and other shops where the work is to be done.

The specification of "new materials" for the building work, he also pointed out, would probably give a boost to industries in different communities. All of the new cars, so far as the contract is concerned, must be constructed from the new materials to be ordered at once.

A slight increase in the work at the local shop has resulted in the employment of 10 additional men for this week, Mr. Van Nort said. It was a seasonal increase, he said.

Several Arrests Result In Return Of School Property

Three Youths Involved In Terrace Avenue School Robbery Held For Court

Several arrests have been made in the past week or so that have saved the school board a sum of money that would have amounted to fifty or seventy five dollars.

A hearing was held on Saturday at the office of Alderman L. C. Mantz on an information made out against three boys of the south side who were alleged to have stolen a phonograph, ten dollars worth of records and 17 harmonicas from the Terrace Avenue school. They were ordered held for court.

Damage was done to several school buildings recently, the culprits apprehended, and settlement made. Fifty tickets to an amateur production were stolen from Thaddeus Stevens school. Four boys were taken into custody, returned the tickets, and were released.

The arrests in all the cases and investigations were made by the school board's special officer, Robert Stewart.

Another 'Fill' Job Near Here

Another "fill" job is occupying the time and labor of a group of men just now. It is being made at the south side of East Cherry street extension at the intersection with the new West Pittsburgh highway.

Earth for the fill is being secured a short distance away on the West Pittsburgh highway from a bank located at the rear of a private residence.

Meanwhile the job of filling in the strip of land at the intersection of the Moravia and Mt. Jackson highways continues steadily.

TWO APPLICATIONS FOR DIVORCE FILED

Mrs. Isabel M. Yoho has filed an application at the prothonotary's office for a divorce from her husband, Elmer E. Yoho, on the grounds of desertion and cruelty. They were married in April 1925. The date of their separation is not given.

Edward Duddy, Jr., has filed an application for a divorce from his wife, Mary Duddy, on the grounds of desertion. They were married in April, 1926 and lived together until March, 1931.

AUTHORIZE GUARDIAN TO PAY ALLOWANCE

Herman Fell, father of Hanna Fell, presented a petition in court, Saturday, for an allowance for his daughter for whom the Lawrence Savings and Trust company is guardian. The money was desired for educational purposes and \$25 per month was allowed.

HIGHLAND AND SECOND CHURCHES HAVING CONTEST

The Highland and Second Presbyterian churches are vying with each other in an attendance contest in the Sunday schools.

The contest began Sunday, January 28, and will continue until Easter Sunday.

Yesterday's attendance at Highland school was 570 and 482 in the Second church school, but the opening Sunday of the contest the Second church was ahead and the contest now stands Second church 75% and Highland church 73%.

The members of the Bible schools in each church are taking a great interest in the contest.

POLICE FIND THREE GALLONS OF LIQUOR

Mrs. Victoria Joseph, second floor, 1119 Moravia street, will receive a hearing before Mayor Mayne in police court Wednesday on a charge of being the keeper of a disorderly house, it having been alleged by police that when they visited the place Saturday night her brother emptied

a quantity of liquor in a bathroom fixture.

However, the police claim they found about three gallons of unstamped liquor. She was not taken to the police station. Instead she was allowed to take care of her children and told to appear Wednesday.

There are approximately 24 species of the garter snake.

COIN CLUBS WILL MEET THIS EVENING

Attendance at the semi-monthly meeting of the New Castle Coin Club is expected to be larger than usual because of the visit of Sam Kabealo, of Youngstown, noted numismatist, who will be present and will address the club. Any person interested in coin collecting is invited to attend the meeting, which will be held in the assembly room in the Pennsylvania Power Company building on the Diamond.

If you're making yourself a tunic—either of new material or out of an old dress—the correct length will allow about a foot of skirt to show.
